

EXAMINATION INFORMATION ALERT

Fire Promotional Announcement & Testing Schedule

This alert is intended to notify appointing authorities and fire promotional candidates of the latest timeframes associated with the New Jersey Civil Service Commission's (NJCSC) announcement and testing schedule for in-line, fire promotional titles. Providing these dates in advance, hopefully, will assist appointing authorities and potential promotional candidates with their respective planning needs. Candidates may also go to the Civil Service Commission's website (www.state.nj.us/csc) when an announcement is issued to obtain an orientation guide which will include a tentative test date that corresponds to their promotional announcement.

Please note that the NJCSC will automatically initiate an announcement for Lieutenant, Captain, Officer 1, Officer 2, and Battalion Chief for most jurisdictions based on the expiration date of their existing list. However, if a promotional list is exhausted or is expected to be exhausted or rendered incomplete prior to its expiration date, an Appointing Authority should initiate a new announcement and submit its request by the appropriate deadline indicated above.

The tentative exam dates in this alert may change due to many factors, including, but not limited to US Department of Justice reviews and approvals. Candidates should periodically check the Fire Service Status Report and orientation guides for updates on test dates. Candidates will be notified by mail a minimum of two weeks prior to their exam date. Make-up exams for Public Safety titles are only granted as stated in N.J.A.C. 4A: 4-2.9.

* In departments where Fire Lieutenants are not used, Fire Captains are the 1ST Level Supervisors.
